Price: **£16.95**

Edition: **Third**

Author: **Katie Featherstone**

LAM with flaps, 224 pages

17.20 x 11.60 cm

A guidebook to 43 walks in Loch Lomond and the Trossachs National Park. From low-level short circuits to demanding mountain routes, there is something for walkers of all fitness levels and experience in this Scottish National Park.

The walks range in length from 3 to 26km (2-16 miles) and cover all 21 Munros in the region as well as a collection of its finest Corbetts and smaller hills.

- **1:50,000 OS maps** included for each walk
- **GPX routes** available to download
- Highlights include ascents of **Ben Lui and The Cobbler**
- Easy access from **Edinburgh and Glasgow**
- **Public transport and parking** options given for each walk

## Key marketing points

The Loch Lomond and Trossachs National Park is Scotland's most popular countryside destination 7 million visitor days

## About the author

Katie Featherstone is a freelance writer and the author of several guidebooks, writing predominantly about hiking, history and slow, sustainable travel. She spent the years 2017–2023 advising walkers as a mountain hut warden in the Icelandic Highlands before moving to Islay, off the west coast of Scotland. Loch Lomond and The Trossachs is her nearest national park and somewhere she tries to spend as much time as possible.
